Arriving by car ●●●●

St. Gallen can be easily reached via the A1 from Zurich, Bregenz, Konstanz and Chur. After the freeway exit St. Gallen-Kreuzbleiche, drive direction centre into street St. Leonhard-Strasse. Cross the rail bridge, follow the street for another 100 metres and turn left into street Davidstrasse. Follow this street that becomes after the crossing the Gartenstrasse. At the end of that street you have to turn left into Oberer Graben. After almost 200 metres turn right into the pedestrian zone and then immediately right again (just before the Multergasse) into the alley Webergasse. The hotel Dom is on the left side.

We have a limited number of parking spaces for our guests for CHF 15.00/night. The parking spaces are available on a first-come-first-served basis and cannot be reserved .

(approx. 7 minutes)

Our hotel is a seven minutes' walk from the main station. Cross the station square and walk along the Kornhausstrasse. Take the first street on the left side which is called Vadianstrasse. Follow that traffic-calmed street that takes you to the old town. Straight ahead, until you stand in front of the Multergasse (entrance to the pedestrian zone of the old town). There, turn right into the alley Webergasse. After a little more than 100 metres you arrive at The Hotel Dom that is on your right.
